## Email Model

**Subject:** Les Anges du génie — Up to \$10,000 for your student project

Hello,

We'd like to share an exciting opportunity for engineering students: the **Les Anges du génie** competition, organized by FÉRIQUE Fund Management. This competition will award several prizes to student engineering projects that stand out and address sustainable development issues.

You have until **September 30** to submit your project at [ferique.com/angels](https://ferique.com/angels)

### Why participate?

- **Funding:** Your project receive up to \$10,000. In all, \$35,000 will be awarded at a gala held in Montréal on November 20.
- **Visibility:** It's a great chance to showcase your project to the engineering community.
- **Recognition of your talent:** Your project will be judged by engineers with extensive experience and strong involvement in the Quebec engineering sector.

For more information and to submit your project:

📌 Details and application form: [ferique.com/angels](https://ferique.com/angels)

### What is FÉRIQUE?

As not-for-profit organizations in the investment sector, FÉRIQUE Fund Management and FÉRIQUE Investment Services work solely in your best interest. A unique business model that serves engineering graduates, their families and their businesses.

Feel free to share this information with other interested students.

Best regards,
