Subject: Les Anges du génie — Up to \$10,000 for your student project

Hello,

We'd like to share an exciting opportunity for engineering students: the **Les Anges du génie** competition, organized by FÉRIQUE Fund Management. This competition will award several prizes to student and entrepreneurial project in the engineering fields that stand out and address sustainable development issues.

You have until **Octobre 16, 2026** to submit your project at ferique.com/angels

Why participate?

- **Funding:** Your project receive up to \$10,000. In all, \$48,000 in prizes will be awarded at a gala held in Montréal in January, 2027.
- **Visibility:** It's a great chance to showcase your project to the engineering community.
- **Recognition of your talent:** Your project will be judged by engineers with extensive experience and strong involvement in the Quebec engineering sector.

For more information and to submit your project:

📌 Details and application form: ferique.com/angels
